

Coronavirus COVID-19

Important Message from the CDC

Practice Social Distancing

Avoid close contact with people who are sick. Give six feet of space from others. Stay home if you are sick, except to get medical care

Wash Hands Often

With soap and water for 20 seconds or use hand sanitizer (at least 60% Alcohol) if soap and water is not readily available

Do Not Touch Your Face

And cover all coughs and cover all sneezes with a tissue or your sleeve.

Clean & Disinfect

Commonly touched areas (doorknobs, surfaces etc...)
